Undertaker

B. F. SAWYER was born May 3, 1850, in Mansheld, Mass. He started as an apprentice for three years in the Undertaking business in New York City with the largest firm in the city, remaining with them for five years. He has followed the profession ever since, coming to Jackson, Nebr, in 1880 and starting the business here. He has one of the best equipped Undertading Parlors in the state, with commedious quarters, lady assistant, fine hearses and equipment and a large stock

niways on hand. He understands all the successful methods of embalming and makes a specialty of the Mico system, which preserves the remains forever, requires no cutting or excision of the body, and takes nothing away nor adds anything to the subject, the thorough embalming being done exclusively by external methods.
